#### **B. Tues. 28 June Phil’s Update News: “Fixing 2020”**

- **Trump may be back** even before July 4th.
- **The most important issue is the complete destruction of the Cabal’s power structure** and system in its entirety. All this could have been accomplished at the 2020 election, but they made the decision that catching all the bad guys was more significant. They were aware that much hardship lay ahead for the American people. But it had to be done in

order that it would never occur again. The trap had to be set. We have only seen a small portion of what has been taking place.

- **The depth of corruption in the 2020 election fraud was bad in Arizona**, but much worse in the other states. We really have not yet seen its full scope. But worse than the fraud itself is the power structure behind that fraud.
- **Phil named the three things of importance: 1. EO 13848; 2. The Insurrection Act; 3. the 14th Amendment.**
- **In Frankfurt, Germany the main servers of the 2020 Election count (ScytI) were taken by the Army** in a firefight with the corrupt CIA and Gina Haspel, the Director at that time who was most likely killed; she has not been seen or heard from since.
- **A Q post tonight was “toilet tissue.” In Gematria it means “The Calm before the Storm,”** “There’s a Storm Coming,” “Economy Big Crash,” and “Heart Attack Coming Soon.” I have read some new reporting that this Friday we could see a major crash in the stock market.
- **The growth of Q Movement** cannot be denied, and this is what greatly concerns the Deep State. They have finally been outflanked.
- **Intel has been frozen.** Before any invasion in a war, there is dead silence and secrecy. Only the high command knows. The participants are not even made aware of the details. Many times they are not told where they are even going and do not find out until minutes before it actually occurs. That is where we are.
- **Just think, most Americans have never heard** of Patel, Scavino, Flynn, Wood, the Plan, The Great Awakening, or even the Cabal and the Great Reset etc. They are clueless about the Federal Reserve or the QFS. They have no idea. None whatsoever!
- **We are days, even hours, perhaps moments away from revealing 2020 Election Fraud.** Trump is about to make his next move. That is what is apparently on the table. We have all been feeling it; the last few days have gone our way.
- **The Deep State is in Panic mode, no doubt.** The Tide is turning as was so eloquently posted by Scavino with the photos of the wave coming in at two different directions.
- **January 6th has been nothing but a charade** just as the impeachments and the Russian Hoax were.
- **There were faint rumors** that after all this is settled and set back into motion, Trump will step down and turn over the Presidency to JFK Jr.

#### **C. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring:**

- **Supreme Court Justice Clarence Thomas suggests Covid Vaccines** are developed using cells of ‘aborted children.’ Cells obtained from elective abortions decades ago were used in testing during the Covid vaccine development process.  
<https://www.politico.com/news/2022/06/30/clarence-thomas-claims-covid-vaccines-are-derived-from-the-cells-of-aborted-children-00043483>

#### **D. Global Financial System:**

- **The fiat US Dollar is the reason that presently the US has no international trade.** This is why store shelves are emptying, why we can’t buy oil and gas from Russia, Iran, or Venezuela. No country dealing in value for value, wants the fiat US Dollar.

- **Bitcoin is crashing:** <https://twitter.com/crashingbitcoin/status/1542873118976491520>
- **Bond Yields Are Puking:** <https://t.co/sLmhPVvAS>  
<https://twitter.com/zerohedge/status/1542873548884148224>
- **On Fri. 1 July** the US officially entered Biden's Recession according to the standard definition of Recession: A period of temporary economic decline during which trade and industrial activity are reduced, generally identified by a fall in GDP in two successive quarters.
- **Federal Reserve Bank of Atlanta revises Q2 GDP Prediction down**, now predicts -1% GDP Growth, signaling possible official start of US recession.

#### E. Supreme Court Decisions:

- **About SCOTUS vote on EPA:** The Virginia vs EPA is bigger than I thought. It could include all agencies. Basically they can't make mandates or any rules without going back to Congress for a vote. The Supreme Court basically knocked out 80 percent of the Federal Government. Only the elected (Congress) can make the rules or laws For We the people. This Ruling is Huge.

#### F. Covid/Monkey Pox/Vax Hoax:

- **Dr. Russell Blaylock: Hospitals were paid to kill:** - \$39,000 per patient on a ventilator - \$12,000 per patient in the intensive care unit. "If you've ever seen anybody in respiratory distress, they're in a severe panic, but these people were just calm, speaking in complete sentences, and they just said, 'I'm short of breath.' And so they would give them a drug, paralyze them, and put them on a respirator, and a high percentage, in some cases, 80% died."

## H. White Hat Intel:

- **Hammer on the Clock...Q**
- **On The Clock means Cyber to shutdown all systems** on the Planet. I believe the NSA will Flood the internet with a whole heap of incriminating evidence.
- **The Space Force will turn the whole planets power off.** Switching over to Free Tesla Energy.
- **Mr Pool showed us all Trains** will be halted. They work on big Electrical Grids.
- **All Social Media Platforms will be removed** and New Ones will be replacing them with the new Quantum Internet controlled in space. It is Unhackable. Download your Data if you don't have 2nd copies of photos etc. We have been warned of the Global CyberSecurity Crisis.
- **CLINTON CASH—THE RUSSIA CONNECTION:** The New York Times reports on multi-million dollar donations from a Canadian company anxious to sell American uranium mines to the Russians, which required State Department approval while Hillary was Secretary of State: The sale gave the Russians control of 1/5 of all uranium production capacity in the United States. Since uranium is considered a strategic asset, with implications for national security, the deal had to be approved by a committee composed of representatives from a number of United States government agencies. Among the agencies that eventually signed off was the State Department, then headed by Mr. Clinton's wife, Hillary Rodham Clinton. As the Russians gradually assumed control of Uranium One in three separate transactions from 2009 to 2013, Canadian records show, a flow of cash made its way to the Clinton Foundation. Uranium One's chairman used his family foundation to make four donations totaling \$2.35 million. Those contributions were not publicly disclosed by the Clintons, despite an agreement Mrs. Clinton had struck with the Obama White House to publicly identify all donors. Other people with ties to the company made donations as well. Whether the donations played any role in the approval of the uranium deal is unknown. But the episode underscores the special ethical challenges presented by the Clinton Foundation, headed by a former president who relied heavily on foreign cash to accumulate \$250 million in assets even as

his wife helped steer American foreign policy as secretary of state, presiding over decisions with the potential to benefit the foundation's donors.

This man's babe was John Quincy St. Clair, of the Hyperspace Research Institute and is perhaps the 21st Century's most important inventor. Later on he simply became known as John Q.

## **I. Helping Humanity:**

- **So this happened tonight:** There was a gentleman buying a BMW trading in an older Scion XB. About the same time a young girl comes in trying to purchase a Corolla. She is a struggling student working 2 jobs. Unfortunately she was not able to finance a car. She broke down into tears as a salesperson was consoling her we all felt really bad but there's not much you can do. She leaves and the gentleman asks if the salesman was able to help her. The salesperson says no and is visibly upset about the situation. The guy says call your customer back, I'm giving her my trade in. She comes back a few minutes later, he signs over the title and hands her the keys. While he sat in finance, she sat in the car crying from gratitude. <https://santasurfing.locals.com/post/2363408/this-comes-from-a-facebook-page-of-people-who-work-at-a-dealership-my-second-career-in-life-was-wo>

**Jenny Hill’s witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

#### **L. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**M. The following have been set up to report Crimes Against Children and incidents of human trafficking,** although I cannot verify as to the influence of Satanists within these organizations:

**N. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**O. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
